

REMARKS

Claims 1-30 are pending. Applicants respectfully request reconsideration and reexamination of the application.

Claims 1, 2, 5-12, 14-19, 21-24, and 26-30 were provisionally rejected under the judicially created doctrine of double patenting over claims 1-30 of co-pending Application No. 10/629,223. Applicants are submitting with this response a terminal disclaimer for this pending application with respect to co-pending Application No. 10/629,223, which are commonly owned by Lattice Semiconductor Corporation. Therefore, Applicants respectfully request that the rejection under the judicially created doctrine of double patenting of Claims 1, 2, 5-12, 14-19, 21-24, and 26-30 be withdrawn.

Accordingly, Applicants respectfully submit that Claims 1-30 are in proper form for allowance. Reconsideration and withdrawal of the rejections are respectfully requested and a timely Notice of Allowance is solicited.
